SYNOPSIS

Filthy Animals follows a day in the life of Lars, a drug-loving martial arts fanatic, and Freddy, a soft-hearted bodybuilder just out of rehab, who are on a mission to hunt sexual predators to bring meaning to their lives. To buy bait for the next pedophile on their hit list, the two buddies go to a flower shop where Lars meets the lovely Bella, who may have dark tendencies of her own. As tensions rise and their mission goes off course, Freddy begins to question their cause.

LOG LINE

A day in the life of two misfits who surf, smoke, and hunt sexual predators.
